Dear fellow Texans,

In a state like Texas where voters elect the judiciary, those who care about the courts and the law must actively support the best judicial candidates, regardless of party or politics. **That is why in the important race for Justice on the Third Court of Appeals, we have endorsed and are supporting Kurt Kuhn.**

It is rare for a judicial candidate to receive the broad bipartisan support that Kurt has received in this race. But it is no surprise to those of us who have known and worked with Kurt. We believe that if you take the time to meet him, you will join us in supporting him too. **Please join us Wednesday, September 8, from 5:30 to 7:30, at the Headliners Club for “Republicans and Independents for Kurt Kuhn.”**

As one of the leading appellate practitioners in the state of Texas, Kurt is undoubtedly the best candidate for this important court. Throughout his career, Kurt has repeatedly and expertly handled a wide variety of appeals involving some of the most complex issues in civil, criminal, and administrative law. Experience and qualifications are what matter in a judicial race, and Kurt is the candidate in this race with the demonstrated ability to handle the varied and complex docket of the Third Court.

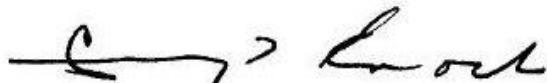

Just as importantly, Kurt has demonstrated the personal character and integrity we should demand from our public officials. In his work, Kurt has always been honest, plain-spoken and unafraid, and committed to the rule of law. Away from work, Kurt has been just as dedicated to his family and his community.

Candidates like Kurt deserve our support. We hope to see you on September 8.

Sincerely,

Tom Phillips, Former Chief Justice of the Supreme Court of Texas

Craig Enoch, Former Justice of the Supreme Court of Texas

Scott Brister, Former Justice of the Supreme Court of Texas
